

PAPER TOY 

- 1 - Fold the legs down so your lion can stand up.
- 2 - Fold the lion's neck up 90°.
- 3 - Push the two halves of the face together, folding on the lines. Secure the face by putting a spot of glue between the two halves of the face.
- 4 - Fold on the line at the base of the tail so that it stands up at a 90° angle. Finally, put a second fold on the line near the middle of the tail.
- 5 - Go and play with your lion. Ro●oaaaar!!!!
