

womad spa

wellbeing | massage | facial

We are delighted to be using Tea & Tonic products in all our treatments.

Our therapies are created just for you, to help you reach your desired state. We draw from ancient wisdom, modern techniques and exceed your expectations.

Weaving together Swedish massage, deep tissue, remedial, Ayurveda, pressure points... Whatever it is you need.

Are you wired and tired? Achy and sore? Lost and low... Or simply want an expert therapy.

100% NATURAL SKINCARE & WELLNESS

*British ~ Super herb ~ Apothecary
Discover the secrets to your brightest skin and self*

*ADAPTOGEN HERBS
Our Superherb Complex™*

*Hailed as 'super herbs' due to their ability to uniquely 'adapt' to the needs
of the body to bring balance & strength.*

*These herbs help improve one's resistance to stress, support the immune system,
promote skin health & overall wellness.*

*Our Superherb Complex™ features across the range – each super herb is a force on their own, yet
when combined they further gain in power making them even more super!*
